# Parent Opportunities

## Each opportunity below includes:

Child care, nutritious snacks, books and researched, nationally recognized resources to take home

### Love & Logic Parent Support Groups

Monthly gatherings to celebrate milestones and accomplishments with our children and gather new ideas to help in everyday situations getting our little ones healthy and ready for kindergarten.

### Media Literacy & Your Family

PBS provides free online, on-air, and text digital resources for you and your children. Learn more about media safety from American Academy of Pediatrics and using educational apps with your children.

### Your voice matters! What would you like in your neighborhood?

### Early Literacy Parent Series

The workshops offer strategies and resources to enhance the language development of children. Singing, talking, storytelling, book handling, and recognizing signs and everyday objects by name are all part of literacy. This series supports parents & caregivers preparing children for kindergarten.

### Helping Children Grow Up Healthy

Looking for fun snacks and ways to get your children to enjoy ALL the different foods on their plates? Wondering about some strategies for fun toothbrushing and taking care of those baby teeth? Join us for this fun, informative workshop to play and learn.

### Preventing & Overcoming ACE (Adverse Childhood Experiences)

Learn ways to support your child growing up socially and emotionally strong. National Center for Disease Control (CDC) provides resources for families to overcome abuse and live healthy lives.
